Underwriter(s) and their proportions of liability:

The liability of an insurer under this Policy is several and not joint with other insurers party to this Policy. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer, nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this Policy.

The proportion of liability under this Policy underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown above.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion, nor is any member otherwise responsible for any liability of any other insurer that may underwrite under this Policy. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportions may be obtained by writing to Market Services, Lloyd's, at the above address.
