

Sector Limitation Endorsement

This Endorsement attaches to and forms part of the policy ("Policy") to which it is attached.

Notwithstanding anything to the contrary contained elsewhere in the Policy, the Policy also excludes:

1. loss, damage and expense in respect of property;
2. costs incurred in respect of: (i) bringing under control a Well; (ii) extinguishing fire at such a Well; and (iii) restoration, redrilling, abandonment and making safe such a Well;
3. loss, damage, liability or expense arising from seepage pollution or contamination emanating from a Covered Pollution Source;

which property or, as the case may be, Well or Covered Pollution Source is either (A) of a use or association different from the Use or Association Limitation stipulated in the Premium Worksheet(s) attached to the Policy as applicable to the Sector(s) insured or reinsured by the Policy, or (B) physically located outside the Location Limitation stipulated in the Premium Worksheet(s) attached to the Policy as applicable to that (those) Sector(s).
