

Terrorism Limitation Endorsement

This Endorsement attaches to and forms part of the policy ("Policy") to which it is attached.

Notwithstanding anything to the contrary contained elsewhere in the Policy, the following is added to the policy definition of "**Occurrence**":

So far as loss resulting from one or more Acts of Terrorism is concerned, the word "Occurrence" shall mean an Act of Terrorism or series of such Acts arising out of the same purpose or cause committed during any period of 72 consecutive hours commencing during the Policy Period. However no such period of 72 consecutive hours may extend beyond expiry of the Policy Period unless the Assured sustains direct physical loss or physical damage by the said Act or Acts before expiry of the Policy Period and within the period of 72 consecutive hours.
